Product catalogue

ABOUT US

- DCI is a global brass and aluminium urns manufacturer, with a portfolio that covers a wide range of designs, sizes and finishes.
- We have over 35 years of experience and have learnt the importance of quality, pricing and timely delivery.
- DCI is equipped with in house manufacturing and finishing, right from foundry to shipping.
- We have the capacity to produce new designs and shapes for our customers, in a variety of finishes such as *polished, brushed, electro-plated, painted*, etc.

OUR VISION

- Design Craft Industries' utmost priority is to provide our customers with high quality urns, in an efficient manner.
- Adding more designs to our portfolio and increasing production capacity is also an area we would like to augment. In today's world of evolving technology, using modern ways to manufacture urns of top quality is of great importance to us.
- We are passionate about making beautiful, well designed, high quality urns as we understand the circumstances in which they are purchased.
